

LAMPYHOTELOWE.PL

Założona w 2006 roku firma Modern Lighting powstała jako rodzinna firma wytwarzająca oświetlenie mieszkaniowe. Obecnie jesteśmy liderem oświetlenia dla branży hotelarskiej; skupiamy się na potrzebach naszych klientów w kraju i za granicą, dostarczając niestandardowe projekty oświetlenia, zarówno dla wiodących marek w Europie, jak i poza nią. Jako firma zajmująca się oświetleniem hotelowym, oferujemy niestandardowe projekty, wytwarzając takie produkty jak: kinkiety, lampy sufitowe, spoty, oświetlenie korytarza wejściowego, lampy podłogowe, lampy stołowe i wiele innych. Sukcesywnie dążyliśmy do tego by wyposażać hotele 2,3*,4* i 5*. Zaczynaliśmy od małych pensjonatów, często kilku pokojowych. Dziś śmiało wyposażymy te największe obiekty, mające nawet po kilkaset pokoi. Oferujemy projekty oświetlenia hotelowego- od pokoi gościnnych, przez przestrzenie publiczne, tj. restauracje, po pomieszczenia standardowe.*

W kolejnych latach działalności poszerzyliśmy swój asortyment również o produkcję abażurów. Dzięki czemu nasza firma stała się niezależna od innych i dzięki temu możemy sprostać oczekiwaniom inwestorów. W 2014 roku firma zmieniła zakres działalności stając się producentem oświetlenia na zamówienie. Zajmujemy się projektowaniem, produkcją oraz importem oświetlenia do wewnątrz z pełnym zakresem usług. Celem jest pomoc projektantom wewnątrz, globalnym markom i właścicielom hoteli w realizacjach wizji poprzez naszą współpracę i obsługę klienta.

Współpracujemy z projektantami wewnątrz i nabywcami hoteli, aby wprowadzić w życie innowacyjne projekty oświetlenia. Projektanci, architekci mogą przeglądać nasze obszerne portfolio niestandardowego oświetlenia hotelowego, w poszukiwaniu inspiracji lub opracować całkowicie oryginalną wizję przestrzeni, którą Modern Lighting wypełni stworzonym przez nas produktem. Firma nasza świadczy wspomniane wyżej usługi projektowe, produkcyjne i logistyczne, aby pomóc projektantom i nabywcom usług hotelarskich zrealizować projekt od deski kreślarskiej do gotowego produktu.

Nasz doświadczony zespół ekspertów jest do Państwa dyspozycji, aby pomóc Państwu urzeczywistnić wymarzony projekt oświetlenia. Dokładamy wszelkich starań, aby zlecone nam zamówienia realizowane były na najwyższym poziomie, a nasze produkty cechowała wysoka jakość.

Jesteśmy otwarci i służymy Państwu pomocą w każdy możliwy sposób.

Zapraszamy do współpracy
